

Research

Speculative Biology

Dr. Pinar Yoldas

In her lecture artist and scientist Pinar Yoldas discusses her concept of "Speculative Biology"

Pinar Yoldas is an infradisciplinary designer, artist and researcher currently based in San Diego, California. Her work develops within biological sciences and digital technologies through architectural installations, kinetic sculpture, sound, video and drawing with a focus on post-humanism, eco-nihilism, anthropocene and feminist technoscience. She holds a Ph.D. from Duke University and is a recipient of the Guggenheim Fellowship in the Arts. In 2018 her work was part of the exhibition "There Will Come Soft Rains" at basis e.V. in Frankfurt am Main.
